**BABY POINT GATES BUSINESS IMPROVEMENT AREA (BIA)
ANNOUNCES**

The Baby Point Gates BIA is pleased to announce the approval by City Council for 2 hour parking between the hours of 9:00 am and 9:00 pm on the east side of Jane St as well as on Annette St. We anticipate that it will take about a month for Toronto Transportation Services to provide the appropriate changes to the signs. The Baby Point BIA would like to thank councillor Sarah Doucette and her team for their hard work and support in this matter.
